

## AVALON

### THE PRODUCERS

ERIKA WASSERMAN (born 1978) is the producer behind the critically acclaimed feature *Burrowing*, selected for the Berlin Film Festival in 2009, and *Avalon* which received prize for best first feature in Toronto 2011. She has also produced several TV series, TV films and shorts. She is now producing the *Burrowing* auteurs' new film *Hollows* - which was shot in the fall of 2011 and now is in post production. She is also in development with several feature film productions.

JESPER KURLANDSKY (born 1977) is a director, producer and cinematographer. He is the cinematographer for and made the music to Lukas Moodysson's features *A Hole in My Heart* and *Container*, as well as the music for *Mammuth*. He has produced the Guldbagge nominated *The Ape* (Venice 2009, Toronto 2009) and directed the music film *Eroica* for SVT. Besides producing *Avalon* together with Erika, he is the producer for Jesper Granslandt's new feature *Blondie*, now in postproduction.
